## Saddle Log

This form is to be completed by a rider registered with the IPAA Saddle Log Program. The horse(s) ridden do not need to be owned by the person submitting this form, but only hours spent riding IPAA registered horses will be counted for the IPAA Saddle Log Program. Any kind of riding counts: trail riding, competition, lessons, and exercising. See the IPAA Continuing Rules and Regulations for the hour levels required for awards.

Submit a completed saddle log when the first riding level is reached or one year from the date of rider's signature on the IPAA Saddle Log Program application. If at the end of one year the rider has not reached the first hour level, no award will be issued by IPAA and no log needs to be submitted. Submit as many pages of saddle log as necessary. So long as the rider maintains enrollment in the Saddle Log Program, hours ridden can be combined from year to year to reach each award level.
