## Youth Saddle Log Program

The IPAA Youth Saddle Log Program operates on an honor system, with each rider logging the time spent riding. The horse(s) ridden do not need to be owned by the person submitting this form, but only hours spent riding IPAA registered will be counted for the IPAA Saddle Log Program. Youth age groups and awards are based on the age of the youth on January 1. Munchkin level (ages 1 to 5) awards will be given for completing each of the following riding hour levels: 25, 50, 75, 100, 125, and each additional 25 hours. Junior level (ages 6 to 12) awards will be given for completing each of the following riding hour levels: 50, 100, 150, 200, 250, and each additional 50 hours. Youth level (ages 13 to 18) awards will be given for completing each of the following riding hour levels: 75, 150, 250, 500, and each additional 500 hours. Any kind of riding counts: trail riding, competition, lessons, and exercising.

### Instructions:

1. Fill out this initial registration form and submit it to IPAA along with the appropriate fee.
2. Submit a completed saddle log when the first riding level of 100 hours is reached or one year from the date of applicant's signature on this application. If at the end of one year the applicant has not reached the first hour level, no award will be issued by IPAA and no log needs to be submitted, except that so long as the rider maintains enrollment in the Saddle Log Program, hours ridden can be combined from year to year within the age groups to reach each award level.
